

## STALLION FEES

*Puget Sound Equine Reproduction Center*

### BOARDING FEES – per day, payable to Faith Equestrian/Mission Equine

Stallions **\$ 25.00**

### BREEDING SOUNDNESS OF THE STALLION

Complete Physical

Collection and Evaluation: Two collections and evaluation including shipped cooled test in four extenders.

Culture the semen, urethra and the prepuce

Testicular ultrasound to determine total testicular volume (includes sedation)

**TOTAL \$625.00**

In addition, if the stallion has not been actively breeding in the last 3 - 4 months, then he will have to be collected until he is considered “cleaned out”. This may require up to 4 collections.

**TOTAL \$ 99.00 per collection**

### LIVE COVER

Stallion handling for live cover, etc

**TOTAL \$156.00 minimum per cover**

### SEMEN COLLECTION, PREPARATION, & SHIPPING OF COOLED SEMEN

This fee includes AV collection, semen processing (includes preparation of two insemination doses), densimeter (count), motility, and shipment preparation.

**TOTAL \$200.00**

In addition to veterinary services, FedEx, Courier and/or air transport will be involved. FedEx next day delivery (~\$40 + depending upon destination). A fee will be incurred if a courier is needed to pick up/deliver the semen at FedEx or the airport (\$30-\$105.00) dependent upon location and time of day. **Equitainer** rental fee is \$26.00, if returned within four days (via FedEx second day carrier.)

### ADDITIONAL SERVICES MAY INCLUDE

Training to the phantom and/or the A V to collect	<b>\$100.00/hr.</b>
Culture the semen, urethra and the prepuce	<b>144.00</b>
Preparation and use of the AV for collection	<b>99.00</b>
Motility	<b>16.00</b>
Densimeter evaluation	<b>62.00</b>

### FREEZING MEDIA EVALUATION FOR STALLIONS

Cryopreservation of spermatozoa **\$390.00**

Cryopreservation studies to investigate the potential for freezing spermatozoa to be used in a breeding program can be done. There are over 100 different possible combinations that can be tried to achieve the best combination for the stallion for freezing and thawing. Please contact us for associated fees for your circumstances.
